

# PLEDGE CARD

Please give generously to the work of God at Grace. For many people, the tithe (or giving 10% of one's income) is a helpful guideline. Some cannot afford to give that much, and others can give more. What's more important than the amount we give is the **spirit** in which we give.

**We encourage everyone to Pledge** (that is, to confidentially inform GAC of your intended monthly giving). Pledging helps the leaders of GAC plan for the future of the church. Pledging also invites us to be prayerful, thoughtful, and deliberate about giving to God's work. **Here's how you can approach giving:**

- Pray.** Ask God for a wise & generous heart, along with how much you can give.
- Ponder.** Consider your income and expenses, and think about what you'd like to give.
- Pledge.** Let GAC know what amount you'd like to give each month.

**'GIVE SOMETHING.'** Students have limited means, but we encourage you to support GAC by pledging to give something (change, a dollar or two) each Sunday. If every student did this, it would increase our annual income substantially!

**Please fill out this card by Feb 13 and drop it into the collection plate.**
